Dear Prospective Member,

We currently have a limited number of openings for full membership for the 2010 season. This may be an opportunity for you and your friends to play more and improve your competitive game in a friendly environment.

The majority of our tournaments are played on Sunday mornings from the beginning of April to the end of November with starting times from 7:30 to 9:30. The schedule includes a variety of time tested individual, two person and four person events. Built into the schedule are opportunities for play with your friends and to meet new friends through a random selection of partners.

We kick off the year with a Friday night dinner and social event and end the year with a special tournament which includes breakfast, annual meeting, golf, banquet, prizes, and a raffle.

The annual Fee is \$290 which includes your handicap, entrance fees for all tournaments, weekly prizes and many other extras. Frequent players usually earn most of the membership fee back in pro shop credit or by participating in special events which are subsidized by the Association.

Our membership is limited to 100 and is offered "on a first come first serve basis". If you have an interest in exploring participation please talk to Lou or Angelo in the Pro Shop and/or complete an application. Someone from the Association will contact you with the details.

Best wishes,

The Board of Directors
